

m/s Autere

Daily cruises from Parainen to Nauvo via Airisto and Seili in July 2010!

Cruise starts from Parainen, the only town in Finland to be bounded on all sides by water. Along the way passengers can enjoy a piece of the gorgeous archipelago, from Airisto to Keisarinväylä and the Nauvo guest harbour. The m/s Autere can stop in at the beautiful island of Seili, which once served as a colony for lepers and the insane. The beautiful island and its fascinating history are absolutely worth to visit. You can stay in Seili for 3 to 3,5 hours or continue to Nauvo where you will find boutiques, hotels, restaurants, cafès as well as a beach and a beautiful mediaeval church. You have from 2 to 2,5 hours time to explore the attractive Nauvo. On the way back to Parainen, m/s Autere picks up the passengers from Seili. It is also possible to overnight in Nauvo or continue by boat to Hanka, Rymättylä with m/s Linta.
